Dear Shareholder,

This is to notify you that the JPMorgan Funds - Brazil Equity Fund (the "**Merging Sub-Fund**") in which you own shares will be merged into the JPMorgan Funds - Latin America Equity Fund (the "**Receiving Sub-Fund**").

The reason for the merger and your three options are explained below. Please take a moment to review the important information below. More detailed information, including rationale and timing, appears on the following pages. If you still have questions, please contact us at the registered office or your local representative.

Jacques Elvinger *For and on behalf of the Board*

Sub-fund merger – option to take action ends 19th March 2024 at 14.30 CET

Merger timeline and impact

Key Dates

19th March 2024 at 14.30 CET
Deadline for receiving all dealing
instructions.

22nd March 2024 Merger occurs;
shares exchanged.

25th March 2024
New shares available for dealing.

When the merger transaction occurs, all assets, liabilities and any income in the Merging Sub-Fund will be transferred to the Receiving Sub-Fund, and the Merging Sub-Fund will cease to exist.

All shares remaining in the Merging Sub-Fund at the merger date are exchanged free of charge for shares in the equivalent share class of the Receiving Sub-Fund.

The exchange ratio used to determine the number of shares to be allocated in the Receiving Sub-Fund is calculated by dividing the respective net asset value per share of each share class in the Merging Sub-Fund by the net asset value per share of the share class of the Receiving Sub-Fund, both exceptionally rounded to 6 decimal places for the purposes of the merger. The exchange ratio is rounded to 7 decimal places. The calculation of the exchange ratio will be validated and documented in the merger report prepared by the Fund's auditors (PricewaterhouseCoopers, société coopérative, Luxembourg) that will be available to you upon request.

The total value of the shares you own in the Merging Sub-Fund and the new shares you receive in the Receiving Sub-Fund will be the same, subject to rounding adjustments, but you may receive a different number of shares.

Impact

Key differences in investment policy between your Sub-Fund and the Receiving Sub-Fund

- The Receiving Sub-Fund invests primarily in Latin American companies but the Merging Sub-Fund invests primarily in Brazilian companies only.
- The Merging Sub-Fund is concentrated in approximately 25-50 companies, whereas the Receiving Sub-Fund will be less concentrated and hold a larger number of companies.
- The Merging Sub-Fund has a SRI of 6, whereas the Receiving Sub-Fund has a SRI of 5.

Potential benefits

- Shareholders of the Merging Sub-Fund will benefit from investing in a sub-fund with better prospects for stronger growth in assets in the future.
- Shareholders of the Merging Sub-Fund will benefit from a broader geographic exposure, diversifying market specific risks.

Potential drawbacks

- One-time expenses associated with transaction costs (estimated 1.10%) will be borne by the Merging Sub-Fund, due to the rebalancing outlined below in 'other considerations'.
- On the merger date, and during the two business days before that, investors will not be able to subscribe for, switch or redeem shares in the Merging Sub-Fund or switch shares from other Sub-Funds into the Merging Sub-Fund.

Other considerations

- The Merging Sub-Fund will not bear any additional legal, advisory or administrative costs associated with the merger, which will be borne by the Management Company.
- While there is some overlap of assets between the Merging Sub-Fund and the Receiving Sub-Fund, there is a portion of the Merging Sub-Fund's portfolio which does not resemble that of the Receiving Sub-Fund. Therefore rebalancing of the assets in the Merging Sub-Fund will be required in preparation for the merger. All or part of the Merging Sub-Fund's assets may be held in cash for a short period in preparation for the merger, resulting in the Merging Sub-Fund having less market exposure which may have a positive or negative impact on performance. It is expected that such portfolio rebalancing will commence no earlier than 15 business days prior to the merger date.
- Performance information for the Merging Sub-Fund can be found in the relevant factsheet which is available from the document library at www.jpmmorganassetmanagement.lu.
